#### 3-Day Supply of Medication Authorization Form

This form is for any life-sustaining asthma control medication that the child usually takes when not in care.

**Healthcare Provider and Parent or Guardian:** In the event the child needs to remain at the program past usual hours, a 3-day supply of asthma control medication(s) must be kept at the program. A new authorization form should be completed if there are changes to the medication or child's health condition.

**Program Staff:** This life-sustaining medication will only be given if the child needs to remain at the program past usual hours. Each asthma control medication requires its own completed authorization form. Never give expired medication. Expired medication must be replaced, and the updated expiration date must be added to this form.
